

A diagram illustrating the decomposition of a large rectangle into two smaller rectangles. The large rectangle is divided horizontally into two parts. The top part is labeled 'A' and the bottom part is labeled 'B'. The total height of the large rectangle is labeled 'H'.

The diagram illustrates a large rectangle divided into two smaller rectangles, labeled A and B. The total height of the large rectangle is labeled H. Rectangle A is the top portion, and rectangle B is the bottom portion. The height of rectangle A is labeled h_A, and the height of rectangle B is labeled h_B. The width of the large rectangle is labeled W.
